

Name	Topic 1	Topic 2
AAKRITI JAIN	11. project monitoring	6. selection of process models
ALOK RANJAN PRAKASH SINGH	5. build or buy decision making	9. risk management
AMIT KUMAR BANERJEE	3. project initiation or planning	15. techniques for quality improvement
ARPIT RAJAURIA	5. build or buy decision making	9. risk management
ARUNKUMAR R	6. selection of process models	3. project initiation or planning
BAMMIDI SRINIVAS	15. techniques for quality improvement	14. product and process metrics
BEJOY JOSEPH N	3. project initiation or planning	15. techniques for quality improvement
CHETAN PRAKASH SINGH	7. software effort estimation	16. change management
CHETANSHU SHARMA	5. build or buy decision making	9. risk management
DAMAYANTI SUR	15. techniques for quality improvement	12. contract management
DESHPANDE YASH CHANDRASHEKHAR	8. project scheduling	9. risk management
DHARANI D	9. risk management	1. program management
DIKSHA GUPTA	6. selection of process models	5. build or buy decision making
DOLSI JAIN	2. project management life cycle	10. resource allocation
DSA SHWETA TERESA JOSEPH VIOLET	15. techniques for quality improvement	14. product and process metrics
GAIKWAD ABHISHEK RAMDAS	7. software effort estimation	3. project initiation or planning
GARIPELLI RAMYA	6. selection of process models	5. build or buy decision making
GARVIT	15. techniques for quality improvement	10. resource allocation
HARISH CHETTY	5. build or buy decision making	8. project scheduling
HEMANT TIWARI	7. software effort estimation	16. change management
INBARASU A	8. project scheduling	17. project closure
IVAN KARMAKAR	6. selection of process models	3. project initiation or planning
JAGILANKA PRADEEP KUMAR	6. selection of process models	5. build or buy decision making
JANAKI RAMAN S	8. project scheduling	17. project closure
JAYA SHARMA	9. risk management	11. project monitoring
JYOTSNA N	11. project monitoring	14. product and process metrics
KANURI PRABHAT KIRAN	7. software effort estimation	16. change management
KAUSHIK VIKAS VIJAY RAJRANI	15. techniques for quality improvement	2. project management life cycle
KAYNAT AZZOHA REETI	10. resource allocation	17. project closure
KHARADE ABHAY SANJAYRAO	7. software effort estimation	16. change management
KIRAN PANTHAM	15. techniques for quality improvement	2. project management life cycle
KRISHNA KUMAR SRIVASTAVA	4. project evaluation	17. project closure
KRISHNA PARAMESHWAR IYER	5. build or buy decision making	9. risk management
KULDEEPAK C	9. risk management	11. project monitoring
KUMARI MENKA RAUSHAN	15. techniques for quality improvement	10. resource allocation
MADDALA HARI CHANDANA	5. build or buy decision making	4. project evaluation
MADYAVONI VIJAYKUMAR	15. techniques for quality improvement	14. product and process metrics
MALLISWARI RAMA RAJU	9. risk management	7. software effort estimation
MAMATHA G	9. risk management	14. product and process metrics
MAYANK AGGARWAL	3. project initiation or planning	10. resource allocation
MOHAMED NADEEM S L	5. build or buy decision making	8. project scheduling
MOHD FAIZAN AHMAD	15. techniques for quality improvement	12. contract management
MOHD NAJEEBUDDIN	14. product and process metrics	2. project management life cycle
NARSI BOLLOJU	11. project monitoring	10. resource allocation
NAVEEN DWIVEDI	7. software effort estimation	16. change management
NAVEEN VALLABHANENI	6. selection of process models	5. build or buy decision making

NAVYASHREE M N	11. project monitoring	10. resource allocation
NITHIN MADHU	7. software effort estimation	16. change management
NITHIN S	14. product and process metrics	2. project management life cycle
NUPUR MALHOTRA	4. project evaluation	13. software quality assurance or control
PANDURANGA REDDY M.	5. build or buy decision making	9. risk management
PANKAJ KUMAR BHARATI	9. risk management	14. product and process metrics
PARIMI SAIESH	9. risk management	11. project monitoring
PARUL GUPTA	9. risk management	1. program management
PARVATHY S.	7. software effort estimation	3. project initiation or planning
PATIL NILESH DHANRAJ	9. risk management	1. program management
PATIL SAYALI PRAKASH	11. project monitoring	10. resource allocation
PAWAN GODARA	8. project scheduling	15. techniques for quality improvement
POULOMI GHOSH	7. software effort estimation	16. change management
PRABHU C	9. risk management	15. techniques for quality improvement
PRAGYA BHARTI	6. selection of process models	3. project initiation or planning
RAKSHITHA M	17. project closure	2. project management life cycle
RAVI KANT PANDEY	3. project initiation or planning	17. project closure
RAVI KUMAR REDDY D	8. project scheduling	9. risk management
RAVISRI VENKATA RAMANA LANKA	7. software effort estimation	16. change management
RESHMA T K	10. resource allocation	17. project closure
SANATH KUMAR V	5. build or buy decision making	8. project scheduling
SANJAY KUMAR	2. project management life cycle	10. resource allocation
SATISH KUMAR SHARMA	6. selection of process models	5. build or buy decision making
SATTWIK KUMAR PANDA	11. project monitoring	10. resource allocation
SAURABH PAUL	7. software effort estimation	16. change management
SHAH BHUMI PARESHBHAI	14. product and process metrics	2. project management life cycle
SHAIK NAAZMEEN	7. software effort estimation	16. change management
SHAMBHU LAL VERMA	5. build or buy decision making	9. risk management
SHUBHI AGARWAL	15. techniques for quality improvement	12. contract management
SHYAMSUNDAR DAS	8. project scheduling	9. risk management
SIDDHARTH N VORA	9. risk management	1. program management
SINGIREDDY JYOTHSNA	6. selection of process models	5. build or buy decision making
SURAJIT PAL	8. project scheduling	17. project closure
UPPALURI NARAHARI RAO	9. risk management	11. project monitoring
V DURGA PRASAD BOYIDI	11. project monitoring	14. product and process metrics
VISHAL VISHWAMBHARAN	15. techniques for quality improvement	2. project management life cycle
WAGHOLE SANDIP HIRMAN	10. resource allocation	17. project closure
